Sir:

Submitted herewith are two sets (fourteen (14) sheets, fourteen (14) figures) of corrected drawings for filing in the above-identified patent application.

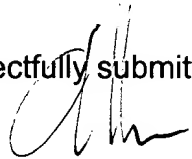

The Examiner objected to the drawings for reasons stated in the Notice of Draftperson's Patent Drawing Review (Paper No. PTO-948) dated October 20, 2005. Specifically, in all Figures, that the lines, numbers and letters were not uniformly thick and well defined, clean durable and black. The enclosed new drawings correct these informalities.

Favorable consideration of the enclosed drawings is respectfully requested.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 50-0665, under Order No. 594728823US from which the undersigned is authorized to draw.

Dated: 11/30/05

Respectfully submitted,
